No. C -11-06376 EDL

9 Plaintiff,

**ORDER GRANTING IN PART
PLAINTIFF'S MOTION TO SHORTEN
TIME AND SETTING BRIEFING AND
HEARING DATES**

10 v.

11 KARL M. KRONENBERGER,

12 Defendant.
13 _____/

14 On April 11, 2012, Plaintiff filed a Motion to Shorten Time to hear Plaintiff's Motion for
15 Preliminary Injunction. Plaintiff proposed that the opposition to Plaintiff's Motion for Preliminary
16 Injunction be filed no later than noon on April 17, 2012, that the reply be filed no later than April 20,
17 2012 and that the hearing be set for April 24, 2012. On April 12, 2012, Defendants filed an
18 opposition to Plaintiff's Motion to Shorten Time, arguing that not only had Plaintiff failed to justify
19 an expedited briefing and hearing schedule, but also that Defendant and Defendants' counsel were
20 unavailable early in the week of April 16, 2012.

21 The Court has carefully reviewed the parties' filings, and good cause appearing, grants in part
22 the Motion to Shorten Time. Defendants shall file their opposition to the Motion for Preliminary
23 Injunction no later than April 20, 2012, and Plaintiff shall file a reply no later than noon on April 24,
24 2012. The Court will hold a hearing on May 1, 2012 at 9:00 a.m.
